NAYAYAMA FAMILY DIAGRAM

STORY

The Nakayama family's circumstances are a bit complicated. Two uncles and their niece and nephew live together as a family of four. It's an unusual situation, but they lived together in peace... until recently, when things started to get a little weird.

That was because the nephew, Hayato, confessed his love to his uncle, Yuuji.

His unrequited love is unatypical. Hayato has reached the time in his life when he's neither a child nor an adult, just as his growing feelings are reaching their breaking point.

Then Hayato went from thirteen years old to fourteen. Suddenly, just as he inches closer towards adulthood.

I DON'T WANT TO DEPEND ON ANYONE. I WANT TO WORK.
